

# Appendix to “The EU Data Act and Erinion”

## Data holders for related services (CMS)

Related services in this context means Charging Management System (CMS). Erinion uses several CMS providers who also have the role as data holder. This list is not static, but is updated on regular basis.

Synop, 48 Grattan Street, Brooklyn, NY 11237, United States

Kempower Oyj, Ala-Okeroistentie 29, 15700 Lahtis, Finland

Monta, Strandboulevarden 122, 5, 2100 Copenhagen, Denmark
